## **Jones**

***Pilot, Acft Cmdr: Jones, Thomas M., O-796153 | Soderburg's Crew, Jones' Crew (13, 36), LADY JEANNE II | Initial Deployment, Apr 43, 2/Lt | KFA, 17 Jan 44, 1/Lt |***

***Note 1:*** Jones was checked-out co-pilot (Soderburg's Crew) and was getting a few missions in as Aircraft Commander before returning to the States. For some reason not given in the records, he took over Ondes' Crew. This was to be their second mission. Note that the crew was assigned a new number (36) for Jones rather than the (26) they carried for Ondes, but this may well have been the result of the 380<sup>th</sup> change of crew number on 1 Jan 44.

***Note 2:*** There is no mention of Ondes in available 380<sup>th</sup> records after his crew was killed in Jones' crash. He may have transferred away from the scene of this personal tragedy.

The format used in presenting the data concerning each individual flight crew member of the 380<sup>th</sup> Bomb Group is as follows:

Data Presented:

Format Used:

Block 1	Block 2	Block 3	Block 4	Block 5

Block 1	Block 2	Block 3	Block 4	Block 5
Personal Data	Air Crew Assignment	Assignment Orders	Transfer Orders	Special Notes

Remarks:

1. When data is missing at any point on the format, the punctuation marks indicated above are used to show this lack of data.
2. Any one individual may have had several assignments; all that are known are presented.

Abbreviations Used:

Block 1, Name and Serial Numbers

NMI	No <u>M</u> iddle <u>I</u> nitial; used when no middle name or initial was claimed by the individual, or if this information was unavailable
IO	Initial Only; may apply to first or middle name, or both

Block 2, Flight Crew Designations

*The Flight Crews were designated by their Aircraft Commander's name and by a numerical listing; both are given here. The crew numbers assigned by the 380<sup>th</sup> changed frequently (at least six times) as additional aircraft and crews were received. The number used for the longest time by each crew was used here. When crews completed their assignments, their existing number was given to the next crew that arrived. Crew numbering ceased abruptly on 15 May 1945. Crews that arrived after that date are designated as (NL) (None Listed).*

*The aircraft listed is that claimed by the individual in his 380<sup>th</sup> Bomb Group Association Record, or the plane most often flown by that crew, or one in which they were shot down or crashed. The listing is made only when the aircraft carried a name. No serial numbers are used.*

*Note: Where individuals served for an appreciable time on different crews, then those crews and the corresponding aircraft are all given here, when available.*
